

CARE NETWORK

Regardless of what you're going through, the **Counseling Referrals** team can help you find a counselor, therapist, psychologist, or psychiatrist. North Point Ministries has carefully screened each counseling partner based on his or her professional expertise, quality of care, and Christian values.

MoneyWise will aid you in understanding God's principles of money management, transform the way you use money, or help you move past your challenging financial situation.

Re:new is a mentoring ministry that explores the connection between the quality of your life and what you believe about yourself. Whether you want to enrich your relationship with Christ or are experiencing difficulty in your life, re:new is the ministry for you.

Restore will guide you in understanding your grief and give you tools to grow in the process. Your mentor will help you discover how God wants to help you move forward, find peace, and be restored.

Oasis will help you heal and bring new direction to your life, whether you are separated, newly divorced, or processing an earlier divorce.

Thrive is a small group environment that will help you understand God's plan for your marriage and discover new insights about your relationship with your spouse—because every marriage has room to grow.

Two to One helps prepare engaged couples for a strong, lasting marriage based on biblical principles. After all, great marriages don't just happen!

C3G (Christ Centered Career Groups) is a weekly gathering at North Point Community Church. Career professionals meet for networking, encouragement, and prayer. Whether looking for work or looking to fill a position, you're invited to join us.

Parent Connect is an environment for parents of lesbian, gay, bisexual, and transgender children. The goal of Parent Connect is to provide a safe place for parents to pursue community and personal growth as they discover God's purposes for them and their ability to love their LGBT children well.
