

WRAP-UP | CELEBRATE TOGETHER

We hope your Group actually became a place where you could connect relationally and grow spiritually. We also hope the relationships you formed will continue in the years ahead.

WIN

Celebrate the changes that happened in you and in others.

CONNECT

During this last group meeting, our plan is to give you time to laugh and talk about how you've grown during your time together. Speak up and let everyone know your thoughts.

LEARN

Invite people to answer the questions below:

- What's been a personal highlight of our last few months together?
- In what ways have you seen yourself grow?
- Do you have plans to serve in the community or at your church?
- How can this group stay connected after the group ends?
- What's your plan to continue growing spiritually after this?

PRAY

Have everyone say one thing they're thankful for. Ask God to keep you connected to one another and to him even more.

WHAT'S NEXT

Talk to other group members about their future plans.
New Groups launch in January and August each year.
