SESSION ONE: SERVING OTHERS

Volunteering in a ministry area at your local church is a great way to apply what Jesus teaches. These teams provide opportunities to serve others, such as creating welcoming environments for first-time attendees or helping to lead children, students, and adults.

DISCUSS

1. If you're already serving at the church, take a few moments to tell your volunteer story. Talk to your group about:
 - How you got involved.
 - Why you got involved.
 - Where you serve.
2. There are lots of places to serve in the church—Guest Services, children's, student, and college ministries, production for Sunday services, adult group leadership, and Care mentoring. Does any area stand out to you?
3. What are some things you can do to help figure out where you should serve?
4. Share what stands out regarding your fellow group members' gifts, skills, and talents. Talk about how that might translate to serving others at your local church.

NEXT STEP

Take a moment now and sign up solo or with other group members to attend a Sunday Sneak Peek, where you'll tour each volunteer environment to see what happens behind the scenes at Buckhead Church. You won't be asked to commit to anything—just show up and learn about how your local church supports others each week throughout the year. You'll be glad you came!

PRAY

Pray that God will direct you to not only where there is a need but where your heart will be full of joy as you serve others.
